### **10. Number of tenders**

Tenderers may submit only one tender for complete lot. Tenders for parts of a lot will not be considered. ### **16. Selection criteria**

The following selection criteria will be applied to tenderers. In the case of tenders submitted by a consortium, these selection criteria will be applied to the consortium as a whole:

- 1) Economic and financial capacity of tenderer (based on i.a. item 3 of the Tender Form for a Supply Contract). In case of tenderer being a public body, equivalent information should be provided.
  - a) the average annual turnover of the tenderer for the last 3 years (2008, 2009 & 2010) must exceed the 70% of the total value of his financial offer.
- 2) Professional capacity of tenderer (based on i.a. items 4 and 5 of the Tender Form for a Supply Contract)
  - a) at least 3 permanent staff currently work for the tenderer in fields related to this contract;
- 3) Technical capacity of tenderer (based on i.a. items 5 and 6 of the Tender Form for a Supply Contract)
  - a) Over the last thirty-six (36) months before the publication of this tender the tenderer must have completed at least one contract with a budget of at least 50% of his total financial proposal.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility and notably that of nationality, as the economic operator.
