BGUE-B2008-22.020200-C8-ELARG DELBIH

5. Contracting Authority

European Community, represented by the European Commission on behalf of and for the account of the beneficiary country

6. Nature of contract

Fee-based

7. Contract description

The overall objective of the project of which this contract will be a part is: To assist in the reform of the energy sector in BiH and to create a single, country wide energy market which is regulated and integrated into SEE and the EU in line with commitments to the Energy Community Treaty, Energy Charter Treaty, Kyoto Protocol and all aspects of the Acquis Communautaire relating to energy efficiency, renewables and energy sustainability.

The purposes of this contract are as follows: To educate energy stakeholders about Energy Efficiency/Renewable Energy, demonstrate the means by which a municipality and its households could improve energy efficiency and uptake of renewables, and build the BiH capacity necessary to do this.

To develop the legal framework that provides a basis for establishing an institutional and policy framework for energy efficiency and renewables and supports energy market reforms.

8. Indicative budget

EUR 2,250,000
