Tender opening session	04 October 2017	14:00
Notification of award to the successful tenderer	December 2017 ³	-
Signature of the contract	December 2017 ³	-

2. Volume 3, Technical Specifications for Lot 1 and Lot 2 are modified as follows:

a) Lot 1 – Construction/Reconstruction of Municipal, Cantonal Court and Prosecutors Office in Tuzla:

The following section is added to the technical specifications for each of the two components (construction/reconstruction) under Lot 1:

Section VI Office for the Supervisor

The Contractor shall provide suitable site office for the use of the Supervisor's Representative and Supervisor's Site Engineer during the period of construction. Location of the site office shall be approved by the Supervisor's Representative in cooperation with the project beneficiary. The site office shall be of sufficient standard and minimum of 10 m² per person, plus toilet plus tea room. The site office shall be fully furnished, heated and connected to electricity, water, sewerage and internet. The office shall be serviced and maintained in clean, weatherproof and sanitary conditions. All costs related to the site office for supervisor shall be included in the Contractor's unit prices.

Please note that only one site office for the Supervisor in Tuzla is required to serve to both components.

b) Lot 2 - Construction/reconstruction of existing building of Municipal Court in Ljubuški:

The following section is added to the technical specifications:

Section I/5 Office for the Supervisor

The Contractor shall provide suitable site office for the use of the Supervisor's Representative and Supervisor's Site Engineer during the period of construction. Location of the site office shall be approved by the Supervisor's Representative in cooperation with the project beneficiary. The site office shall be of sufficient standard and minimum of 10 m² per person, plus toilet plus tea room. The site office shall be fully furnished, heated and connected to electricity, water, sewerage and internet. The office shall be serviced and maintained in clean, weatherproof and sanitary conditions. All costs related to the site office for supervisor shall be included in the Contractor's unit prices.

All other terms and conditions of the Tender Dossier remain unchanged. The above corrections to the Tender Dossier are an integral part of the Tender Dossier.
