DELEGATION TO BOSNIA AND HERZEGOVINA

Operations Section II

Call for Expression of Interest

The Delegation of the European Union to Bosnia and Herzegovina (EUD) is looking for companies who are able to provide expertise in the fields of supervision over construction/reconstruction works on rivers regulations and construction of embankments.

Companies should be registered firms authorized to carry out the specified supervision services in the relevant fields and duly authorized to perform the services in accordance with the relevant laws in force in BiH. Additional selection criteria will be defined in the future tender procedures.

Contract typically require for an estimated 200 - 400 working-days of expertise to be utilized in the period 2018 – 2021 by 1 or 2 suitable experts with relevant experience in supervision to provide advisory and technical services to the EUD.

Suitable companies may be invited to participate in tender procedures for supervision contracts.

In the expression of interest, companies should include:

- a) List of projects for supervision over construction/reconstruction works in water/waste water or road transport infrastructure or floods infrastructure or river regulation implemented by the company in the last 5 years indicating the value of supervision in EUR as well as the value of works contracts subject to those supervision projects; and
- b) Number of permanent staff employed by the company in the relevant field in the last 5 years.

Delegation of the European Union to BiH therefore invites companies who can provide the above services to express their capability and interest in writing to the postal or e-mail address below:
