

Safer Internet Day 2016

Tuesday 9 February

Play your part for a better internet!

Children and young people are growing up in a digital environment where technology is an integral part of their lives. However, they might not always be mindful of the opportunities and challenges online. Safer Internet Day can help raise awareness...

WHEN?

Safer Internet Day takes place each year in February

2016

Tuesday 9 February

WHERE?

It is celebrated in 100+ countries across the world

WHAT?

Activities include:

- + press conferences
- + events at schools
- + industry actions
- + launch of new educational resources

More than anything it provides a chance to reflect on what a better internet means and how we can all help to realise it.

HOW CAN I GET INVOLVED?

Play your part for a better internet!
Join us on Safer Internet Day 2016.

Help us foster the positive and challenge the negative to help create a better online world for all.
How can you help?

Look for **positive content** and opportunities online

Report **illegal and harmful content**

You can also:

1. Children and young people

MAKE YOUR VOICE HEARD and get involved in internet safety debates. Help and be respectful to others online. Protect your online reputation. Take a stand against cyberbullying!

2. Parents and carers

SUPPORT AND MONITOR your children's online activity (as appropriate to their age). Keep an open and honest dialogue with them!

3. Educators and social care workers

TEACH children and young people digital literacy skills. Provide positive content online. Support them if they encounter problems.

4. Industry

CREATE AND PROMOTE positive content and services online. Develop ethical and transparent policies. Protect our data.

5. Decision makers and politicians

LEAD in governance and legislative issues. Ensure the safety and wellbeing of children and young people through effective child protection strategies for the online world.
